2. Contractual Relationship.

2.1 Contractual Relationship between Customer and Lotame. Upon the signing of this DPA by both parties this DPA will become legally binding between Customer and Lotame as of the effective date of the Agreement. Except as expressly stated in this DPA, this DPA does not modify or replace any obligations contained in the Agreement.

2.2 Contractual Relationship with Third Party Sources. If Customer Data includes any User Data from Third Party Sources:

(a) This DPA is not a binding agreement between Lotame and any Third Party Sources. When required by applicable Data Protection and Privacy Laws, Customer must have its own data processing agreement or other agreement with its Third Party Sources to address the Processing by Lotame of Customer Data from the Third Party Sources. Customer is responsible for coordinating all communication from Third Party Sources addressed to Lotame in relation to this DPA.

(b) Except where the applicable Data Protection and Privacy Law requires that Third Party Sources be permitted to exercise a right or seek any remedy under this DPA against Lotame directly, (i) solely Customer may exercise any such right or seek any such remedy against Lotame on behalf of the Third Party Source, and (ii) Customer shall exercise any such rights under this DPA in a combined manner for itself and all of its Third Party Sources together and not individually.

(c) Customer shall, when carrying out an audit permitted under an applicable Data Protection and Privacy Law or the Agreement, take all reasonable measures to limit any impact on Lotame and its sub-processors by combining, to the extent reasonably possible, such audits into one single audit on behalf of itself and all of its Third Party Sources.

3. Processing of Lotame Data.

3.1 Generally. Lotame, with respect to its Processing related to the provision of Lotame Data to Customer, and Customer, with respect to its Processing of Lotame Data received under the Agreement, shall comply with this DPA and all Data Protection and Privacy Laws and their related DPA Schedules applicable to Lotame Data.

3.2 Notices and Consents. When required under any Data Protection and Privacy Laws, throughout the Term, Lotame will contractually require that its licensors of Lotame Data: (a) disclose to Users the purposes for the Processing of their Personal Data and (b) obtain Users’ consent to the Processing of their Personal Data by Lotame and Customer for the purposes contemplated by the Agreement. Lotame’s Services Privacy Notice related to its Processing of Lotame Data is located at <https://www.lotame.com/privacy/privacy-notices/privacy-notice-services/>.

3.3 Responding to User Rights Requests. This section describes how Lotame handles User Rights Requests in general. If any applicable Data Protection and Privacy Laws specify additional or different requirements, the applicable DPA Schedule will supersede any conflicting obligations in this section related to the handling of User Rights Requests. For any User Rights Requests related to Lotame

Data that Customer directly receives, Customer will forward the User Rights Request to Lotame and Lotame will assist Customer in fulfilling Customer's obligations, if any, under applicable Data Protection and Privacy Laws to respond to the User Rights Request.

4. Training; Confidentiality. Lotame shall ensure that its personnel engaged in the Processing of Customer Data have received appropriate training regarding the access, use and treatment of Personal Data under Data Protection and Privacy Laws and have executed written confidentiality agreements governing the access, use and treatment of Customer Data.

5. Data Protection/Privacy Point of Contact. Lotame's employee responsible for handling any inquiries related to this DPA or Data Protection and Privacy Laws may be reached at privacy@lotame.com. Customer's data protection officer/privacy point of contact is stated in the Agreement.

6. Termination of this DPA. This DPA will continue in force until the later of (i) the termination of all Agreements into which it is incorporated, (ii) Lotame is no longer Processing Customer Data, and (iii) Customer is no longer Processing Lotame Data. Upon termination, Lotame will delete Customer Data in accordance with the Agreement.

7. Previous DPAs; Conflict. This DPA cancels any previous data processing agreements or addendums that may have been attached to or entered into under the Agreement by the parties. Except as supplemented by this DPA, the Agreement will remain in full force and effect. If there is a conflict between the Agreement, this DPA and a DPA Schedule, this DPA will control over the Agreement, and an applicable DPA Schedule will control over this DPA and the Agreement.
