5. Purposes for Which We Collect, Use, Sell and Share Personal Data

The purposes for which we collect, use, sell, or share [Personal Data](#) depends on, among other things, our relationship or interaction with the source of the [Personal Data](#) or third party to which we sell or share [Personal Data](#). The table below lists and describes the purposes for which we collect, use, sell, or share [Personal Data](#).

Purpose	Explanation
Audience Analytics	Discovery, segmentation, and optimization of First Party Data to understand and develop insights about customers and visitors to/users of Digital Properties to increase reach for Tailored Advertising and improve Content Personalization .
Audience Creation	Creation of Audiences using First Party Data and Third Party Data , including Modeled Audiences .
Campaign Analytics	Measuring and reporting on how advertisements and content was delivered and interacted with by individuals to understand the individual's path to conversion and facilitate smarter marketing spend decisions.
Content Personalization	Tailoring and delivery of content based on an individual's profile or preferences.
Cross-ID/Device Linking	Determining probabilistically, and in certain cases, deterministically that two or more Pseudonymous IDs or Devices belong to the same individual or household.
Profile Creation	The creation or editing of a personalized advertising and content profile by combining it with Behaviors previously collected, including from across unaffiliated Digital Properties and Devices , for use by third parties (such as our Business Customers) in Tailored Advertising and Content Personalization .
Tailored Advertising	See Tailored Advertising on our Privacy Definition page for further information about Lotame's role in Tailored Advertising . Tailored Advertising includes "advertising and marketing" and "cross-contextual behavioral advertising" as those

	terms are defined under the CCPA , and “targeted advertising” as defined in VCDPA . Lotame itself does not engage in Tailored Advertising or Content Personalization .

6. Sale or Sharing of Personal Data of Minors Under 16 Years of Age

Lotame does not knowingly sell or share [Personal Data](#) of minors under 16 years of age (“**Minors**”). Lotame contractually prohibits its [Business Customers](#) and [Data Partners](#) from providing Lotame with any [Personal Data](#) of Minors.

7. Use and Disclosure of Sensitive Personal Data

Lotame does not use or disclose [Sensitive Personal Data](#). Lotame contractually prohibits its [Business Customers](#) and [Data Partners](#) from providing Lotame with any [Sensitive Personal Data](#).

8. Requests Related to Personal Data Under U.S. Data Protection and Privacy Laws

This section summarizes the rights available to U.S. residents under U.S. Data Protection and Privacy Laws regarding the processing of their [Personal Data](#) (“**Privacy Rights**”) and the methods Lotame provides to exercise those Privacy Rights.

If you are not a resident of a state that currently has an effective U.S. Data Protection and Privacy Law, you may submit a request to exercise your Privacy Rights and we may process it as described in this Notice, even though no U.S. Data Protection and Privacy Law requires us to do so. However, we reserve the right to change or stop the practice of accepting requests from individuals who are not residents of states that do not currently have a U.S. Data Protection and Privacy Law in effect.

How to exercise your Privacy Rights. You can make a request to exercise your Privacy Rights by submitting your request using our [Privacy Manager](#). You can also make a request to exercise your Privacy Rights by contacting us at privacy@lotame.com; however, due to the nature of the [Personal Data](#) we process and the need to verify certain types of Privacy Rights requests, use of our [Privacy Manager](#) is the best way to submit your request.

Please note that with respect to [Personal Data](#) we receive from our [Business Customers](#) that those [Business Customers](#) use for their own business or commercial purposes, Lotame will only take action regarding your [Personal Data](#) on the direction of the [Business Customers](#) for whom we process such [Personal Data](#).

Using Authorized Agents. If you want to use an authorized agent to submit your Privacy Rights request, please have the authorize agent follow the instructions below:

- *Using an authorized agent without power of attorney to submit a Privacy Rights request.* An authorized agent without power of attorney must submit a signed permission from the individual authorizing the agent to submit the Privacy Rights request(s) on their behalf by using the form located here.
- *Using an authorized agent with power of attorney to submit a Privacy Rights request.* An authorized agent with a valid power of attorney, must submit the valid power of attorney executed lawfully under the appropriate state law by using the form located here.
